Exactly democrat socialists and rinos don't want balanced budget requirements because they require prioritizing which would force out the graft that keeps them in power or expose them and their benefactors/beneficiaries. DC is a big circular incestuous swamp!

I heard some of these lunatics were raising bail for the guy that mowed down the Christmas parade.

The image is a composite. On the left is a screenshot of a GoFundMe page for 'Darrell Brooks Jr.'. The page shows a goal of '\$5,000,000' and a progress bar at 0%. The text on the page includes 'Bail fund for Darrell Brooks Jr.', 'GoFundMe', and 'Darrell Brooks Jr. Bail Fund'. On the right is a photograph of Darrell Brooks Jr. in custody. He is wearing a green jumpsuit and a white face mask, being escorted by two police officers. He has dreadlocks and a beard. The background of the photo shows a courtroom setting.

A screenshot of a tweet from Maggie Shephard (@IM4MAGACHANGE) dated November 27. The tweet text reads: "A good read! FrankSpeech.com has Attorney Kurt Olsen on live right now! Going thru Supreme Court filing~". Above the tweet, a portion of another tweet is visible, mentioning "dangerous ex-con accused of killing six people by driving through a". The tweet interface shows 4 replies, 10 retweets, and 10 likes. A share icon is also present.
